

Welcome to ABARIS • RENO

Information to help you
plan your travels!

Casual clothing for your comfort, with tennis shoes, t-shirt (long sleeve if you are sensitive to materials), and long pants recommended for the week. The workshops involve hands on exercises.

Weather changes are expected, prepare for cold weather, especially in the evenings.

Weather.com

We will provide you with all the necessary shop coats, **safety gear**, safety glasses, etc., required for the workshop.

Flannel Friday (Fall/Winter)
Aloha Friday (Spring/Summer)

**Bring your favorite flannel or
Hawaiian shirt to wear on
Friday!**

*P.S. We collect company
stickers, magnets, etc for display,
so if you have one that highlights
your company, we will be happy to
display it!*

Don't forget to mention you are training at
ABARIS to receive the corporate rate. We
have Corporate Rates at most area hotels.

Class hours

Abaris' engineering courses are designed to provide you with a semester's worth of education in a 5-day week. Therefore, these courses are packed with more technical information, computer exercises, shop exercises, and mechanical testing than you would expect to receive in a one week class. As a result, our engineering classes routinely run late each day (8+ hours) to cover all that is provided in the course. Please make arrangements to travel home on the Saturday after the class rather than Friday night, so that you will not miss important information. As your reward for the long hours, there is a special lunch on Wednesday that is not mandatory, nor is it complimentary, but it is coordinated by the instructor and is a treat that you will definitely enjoy!

- Greg Kress
Senior Engineering Instructor

Accommodations

All accommodations we recommend have a corporate relationship with Abaris Training. We have a contact at each establishment. Each hotel listed provide a corporate code, please be sure to mention the corporate code at the time of booking.

Larger groups should contact the hotel directly for even bigger savings.

Classroom & Workshop Attire

You will be provided with all the necessary safety gear: shop coats, safety glasses, etc. required for each exercise. Casual clothing is recommended such as closed-toe shoes, sport shirt (long sleeve if you are sensitive to materials such as carbon fiber), and long pants for the week.

These workshops involve hands-on exercises, so dress comfortably. We also have Abaris t-shirts, short sleeve and long sleeve and aprons available for purchase.

The weather can change rapidly, be prepared for extreme lows and highs during each season. You may check the weather [HERE](#) for the 5 day forecast.

Bring your favorite Hawaiian shirt or flannel, depending on the season to wear on Friday to celebrate graduation.

Meals

Meals are not included in the tuition. You will have a one hour lunch break **Monday through Friday**. We will provide an area map with restaurants we recommend within proximity to Abaris.

We provide Black Rifle coffee, tea and water with an assortment of small breakfast snacks in the morning.
